DOMINGO[®]

Contemporary living

Groove

“Non può esserci nessuna nuova nota. Se guardi la tastiera, tutte le note sono già lì. Ma se dai a una nota un particolare significato, quella nota avrà un suono diverso”

“The piano ain't got no wrong notes. It can't be any new notes. When you look at the keyboard, all the notes are there already, but if you mean a note enough, it will sound different”

Thelonious Monk

IDOMINGO®

Groove è una selezione di divani, poltrone e tavolini contemporanei minimalisti e sofisticati. Forme e materiali si accordano in una ritmica delicata, frutto di una ricerca attenta e di un'esecuzione accurata, ove la bellezza si genera attraverso segni di stile e dettagli accattivanti.

Groove is a selection of refined minimalist sofas, armchairs and coffee tables. Shapes and materials get in tune with a delicate rhythm that is the outcome of a painstaking research and a meticulous execution where beauty flows through stylish and captivating details.

Divani Sofas

Il divano è un oggetto rassicurante,
un territorio accogliente e confortante,
che aspetta solo di essere abitato.

Sofas are reassuring
objects, a welcoming
and comforting territory
waiting to be inhabited.

Barlow

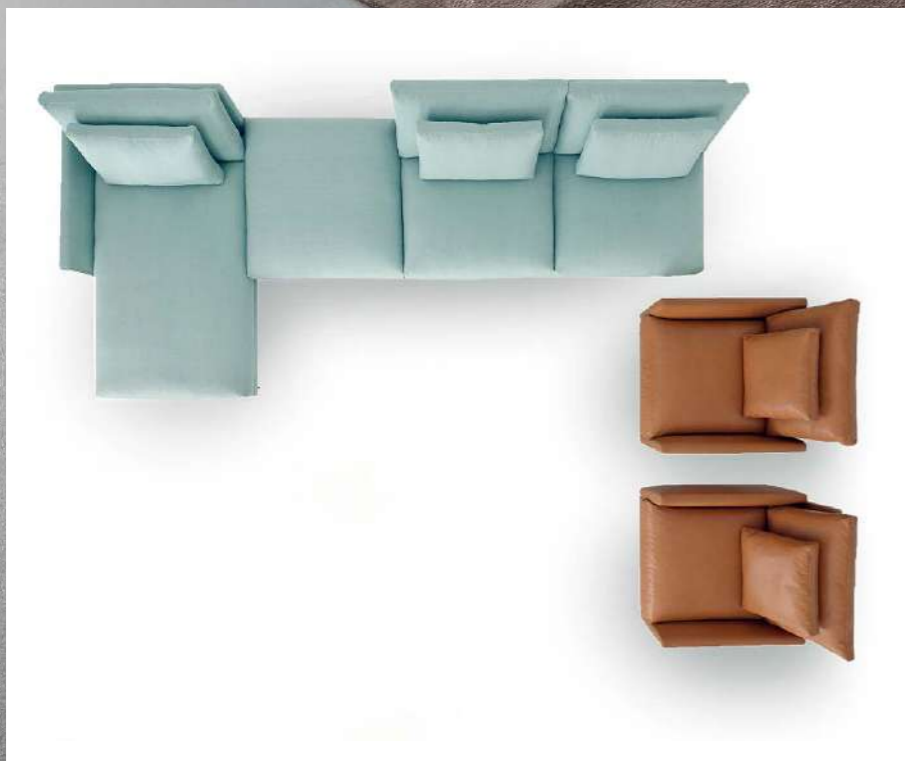

Barlow è la forza della leggerezza, la raffinatezza dell'essenziale e la delicatezza di un dettaglio quasi impercettibile. Una collezione componibile le cui geometrie rigorose, interrotte da morbidezze inaspettate e arricchite da esercizi di sartorialità, generano vibrazioni profonde nei puristi delle forme minimaliste.

Barlow is the strength of lightness, the elegance of essence and the subtlety of an almost imperceptible detail. A modular collection whose rigorous geometries, interrupted by unexpected softness and enriched by tailoring expertise, generate deep vibrations in purists who favor a minimalist style.

Ceo

Il dettaglio del bracciolo con inserto in pelle è una scelta di stile che si inserisce con naturalezza nelle linee essenziali di Barlow, un valore aggiunto alle sue geometrie rigorose.

The leather insert in the armrest is a stylish detail that fits naturally into Barlow's essential lines, an added value to its rigorous geometries.

Struttura in legno di abete e multistrato di pioppo in vari spessori, cl. E1 a bassa emissione di formaldeide. Imbottitura in poliuretano espanso indeformabile in densità da 30 a 40 kg/m³ e ovatta in poliestere. Cinghie elastiche da 80 mm. Piedi in metallo e acciaio inox. Resine e collanti utilizzati sono privi di sostanze ozonolesive, CFC e solventi clorurati. Tutti i materiali impiegati rispettano la normativa EU 91/156 per lo smaltimento dei rifiuti. Prodotto lavorato interamente a mano in Italia.

Fir wood and poplar plywood frame (thickness varies), cl. E1 low formaldehyde emission. Crushproof polyurethane foam padding (density varies from 30 to 40 kg/m³) and polyester wadding. 80-mm elastic straps. Metal and inox steel legs. The resins and adhesives employed are free of ozone-depleting substances, CFCs and chlorinated solvents. All materials comply with EU regulation 91/156 for waste disposal. Manufactured entirely by hand in Italy.

Cox

Cox si ispira alla tradizione delle sedute imbottite sfruttando in modo originale i diversi elementi costruttivi. La scelta di una nota di stile sul bracciolo e un'inflexione sullo schienale danno vita ad un divano al tempo stesso rassicurante ed ammiccante, la cui forza, oltre al piacere visivo è l'attrazione per l'esperienza di comfort che trasmette a chi lo osserva.

The inspiration for Cox was drawn directly from the tradition of upholstered furniture, but structural elements are slightly redefined. A sinuous detail in the armrest and the rigorous yet cushy pragmatism of the backrest connote a sofa that is both reassuring and fancy. Its strength, aside from aesthetic pleasure, is the irresistible idea of comfort it conveys.

Crosby

L'improvvisazione può essere una necessità o una virtù, in alcune situazioni è la formula migliore per godere appieno degli spazi e godere la socialità. Crosby è la soluzione senza regole, il divano ideale perché mai definitivo. Pochi elementi costruttivi per dare libera espressione agli istinti creativi e funzionali, restando focalizzati sulle morbidezze e sul comfort.

Improvisation may spring out of need or virtue; when socializing and enjoying the setting is the point, improvisation is the key. Crosby is a rule-free furnishing solution, the ideal sofa as it is never definite. Its essential structural elements leave absolute freedom of expression to creative and functional instincts while remaining focused on softness and comfort.

**Sistema di raccordo sedute/
Seats modulo fastening**

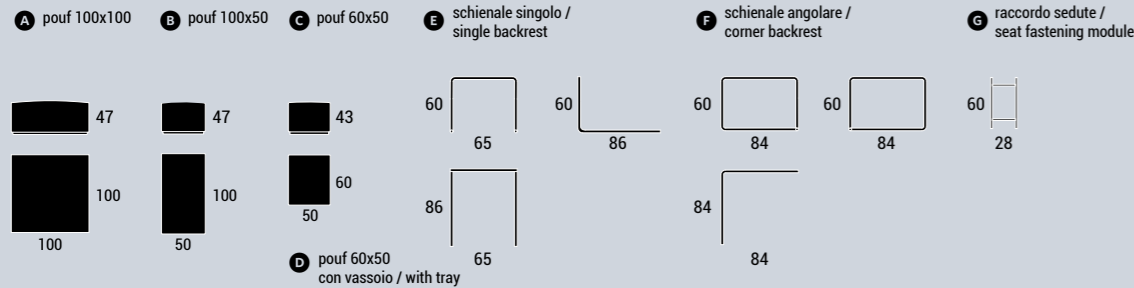

L'elemento di raccordo tiene unite le sedute accostate evitandone lo spostamento durante l'uso. Si innesta ad incastro nelle scanalature in legno della base senza uso di viti. La base è realizzata in legno pantografato, con scanalature per ospitare l'elemento di raccordo e i tubolari dello schienale.

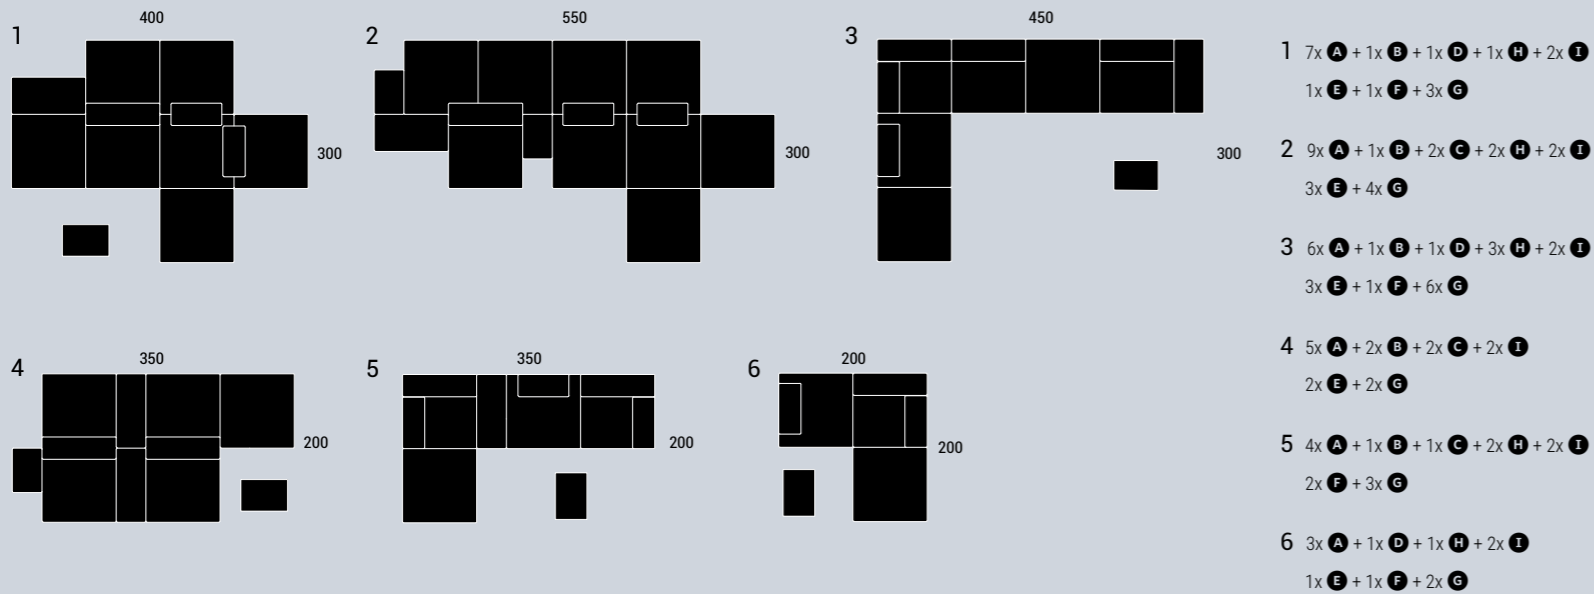

The fastening module holds the seats together side by side, preventing them from shifting during use. It snaps into the wooden grooves on the bottom of the seats; no screws needed. The pantographed wood board bottom of the seat features grooves to accommodate the fastening module and the backrest metal support.

Foy

design **Baldessari e Baldessari**

Disegnare un divano è come raccontare una storia. In questa storia le forme fungono da linee di raccordo tra un pensiero e i materiali che plasmano un nido. Il nido dove ci rifugiamo per farci accogliere e coccolare, per condividere o isolarci. Un nido che, anche quando non utilizzato, deve emanare bellezza. Questo è Foy, il divano degli abbracci.

Designing a sofa is like telling a story. In this story, shapes act as connecting lines between a thought and the materials that make a nest, a cozy welcoming nest which is also a shelter from everything. A corner of the home that radiates beauty. This is Foy, the sofa of hugs.

Tilton

Tilton è la collezione degli incastri perfetti. Un Tetris contemporaneo costruito con soli tre elementi essenziali che si lasciano combinare all'infinito, mentre il gioco di equilibri tra geometrie e morbidezze cattura lo sguardo, soddisfacendo l'occhio attento ai dettagli.

Tilton is a series of square combinations, a contemporary Tetris built out of three essential modules that can be endlessly combined. The balanced interplay between geometry and softness catches the eye, harmonizing rigor and ease.

Quando i dettagli seguono il ritmo delle forme in modo piacevole e fluido, e le morbidezze si susseguono con armonia alle rigidità, tutto quello che resta da fare è lasciarsi trasportare dalla bellezza, nella bellezza.

When details follow the rhythm of shapes nicely and smoothly, and softness harmoniously alternates with stiffness, you may just let beauty carry you away.

Poltrona Armchair

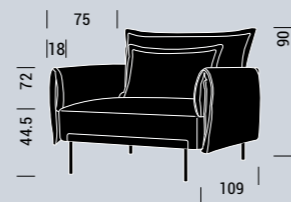

Pochi elementi per costruire una poltrona o un grande divano. Un pouf, una lamiera che funge da schienale o bracciolo, tre cuscini e tanta modularità. Il divano Tilton si presta a diverse configurazioni con la libertà di cambiare idea e gestirlo con semplicità.

The same few modules can make up an armchair or a large sofa: an ottoman, a metal sheet that can be a backrest- or an armrest, three cushions and lots of modularity. The Tilton sofa lends itself to different configurations and leaves you the freedom to change your mind - simple and easy.

Struttura in legno di abete e multistrato di pioppo in vari spessori, cl. E1 a bassa emissione di formaldeide. Velluto Velvet

Barkley col.44

Barkley col.45

Struttura in legno di abete e multistrato di pioppo in vari spessori, cl. E1 a bassa emissione di formaldeide. Imbottitura in poliuretano espanso indeformabile in densità differenziate da 30 a 40 kg/m³, ovatta in poliestere e piuma sintetica ecocompatibile. Piedi a scomparsa.

Joe

Fir wood and poplar plywood frame (thickness varies), cl. E1 low formaldehyde emission. Non-deformable polyurethane foam padding (densities vary from 30 to 40 kg/m³), polyester wadding and eco-friendly synthetic down. Retractable feet.

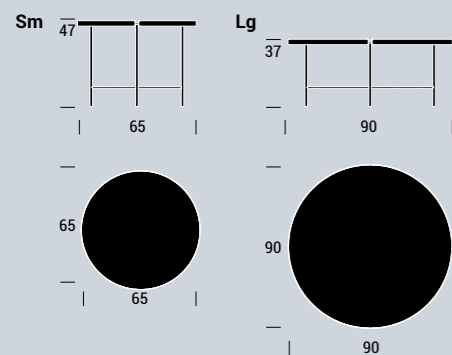

Tavolini

Small tables

L'originalità di un accessorio sta nel qui e ora, come un assolo improvvisato e inaspettato, di cui non si potrà più fare a meno.

The originality of an accessory lies in its hic et nunc. It is an impromptu and unexpected solo that you will never be able to do without.
